Utkarsh Tiwari

UI/Ux Designer @CCC-AKGEC | #opensource || React & React Native|| Python ,C

Ghaziabad, Uttar Pradesh, India

Summary

hey there!! I'm Utkarsh (AKA cosmickdd)

A coder by profession, a designer by passion, and a guitarist at heart—my journey blends creativity and logic in equal measure.

Currently, I'm an Intern @ DevTown and a Contributor @ GirlScript Summer of Code (GSSoC), constantly seeking ways to make an impact in the ever-evolving tech landscape. As a engineering student @ AKGEC'27, I thrive on curiosity, innovation, and a relentless drive to create meaningful digital experiences.

With a strong foundation in the MERN stack, I craft web applications that don't just function—they resonate with users. My experience as a UI/UX designer allows me to approach every project with a user-first mindset, ensuring that my designs are intuitive, engaging, and impactful. Whether I'm developing with React Native for Android or solving complex problems with Python, C, and Data Structures & Algorithms (DSA), I aim to bridge the gap between aesthetics and functionality.

For me, coding and design are like music—both require creativity, precision, and harmony. I've learned the importance of rhythm and flow, principles I bring into my design work to create seamless user journeys. I believe #OpenSource is like a collaborative jam session, where diverse ideas come together to build something greater.

Experience

Cloud Computing Cell AKGEC

3 months

Designer

November 2024 - Present (3 months)

Ghaziabad, Uttar Pradesh, India

Machine Learning Engineer

November 2024 - Present (3 months)

- Assisted by senior machine learning engineers in developing cutting-edge algorithms in Cloud Computing Cell AKGEC.
- Conducted research and analysis to contribute to the advancement of machine learning technologies.
- Collaborated with cross-functional teams to implement machine learning models for various projects.

UX Designer

November 2024 - Present (3 months)

AJAY KUMAR GARG ENGINEERING COLLEGE, GHAZIABAD

Student

August 2023 - Present (1 year 6 months)

Ghaziabad, Uttar Pradesh, India

Hacktoberfest

Contributor

October 2024 - December 2024 (3 months)

- Collaborated with a diverse team to contribute to Hacktoberfest, enhancing skills in coding and teamwork.

GirlScript Summer of Code

Contributor

October 2024 - December 2024 (3 months)

Education

AJAY KUMAR GARG ENGINEERING COLLEGE, GHAZIABAD

Bachelor of Technology - BTech · (October 2023 - 2027)
